CHARGED WITH FORGING
NAME OF HIS BROTHER

Charles Hovey Held at Elkhart
for Alleged Crime on Toledo
Detective.

News-Times Special Service:
ELKHART, Jan. 4.—Charles Hovey, 31 years old, is being held for Toledo officers who will take him back to be arraigned for the alleged forgery of the name of his brother, John Hovey, a Toledo detective. The sum of \$10 was involved in the alleged crime.

The prisoner is the son of W. M. Hovey, who died at his home at Elkhart, northeast Elkhart, last Wednesday, and whose burial took place in Toledo last Friday. The prisoner's stepmother left the key of her home with Mr. and Mrs. Charles Faine of 909 Grant st. Hovey Sunday applied for the key. After giving it to him, the Faines began to question if he should have been entrusted with it, and after consultation with others they notified the police.

Officers Wise and Corner investigated, and took Hovey in custody when informed that neighbors had heard he was wanted in Toledo. Telephone inquiry by Sergt. Whitehead confirmed the rumor, and brought a request that Hovey be held.

John F. Kiefer, who has been engaged in the retail shoe business in this city for 24 years, has sold half interest in the store at 413 S. Main st., to J. Henry Evans, Jr., of South Bend. The firm name will be Kiefer & Evans.

Mr. Evans is an experienced shoe man, having been connected with the Walk-Over shop in South Bend and more recently as a wholesaler. He is the son of Rev. J. H. Evans, who was once pastor of the former Division Street Evangelical church.

The annual Elkhart farmers' institute opened in the Odd Fellows' temple Monday with 150 men and women present.

The principal addresses of the first session were given by J. P. Prigg and Mrs. H. J. Deller, the former speaking on "Leguminous Crops" and the latter discussing "Betterment of Rural Homes." At the afternoon session the same speakers talked on "Soil Improvement" and "The Demands of the Day."

As an added feature of Tuesday forenoon's program A. H. Beardsley will talk on "Lime and Alfalfa."

The county commissioners today awarded contracts for the improvement of two roads. The main st. extension of the Elkhart-Goshen road will be built by Amandus M. Smith of Elkhart, who bid \$21,950; the Harrison township road, part of a scheme to unite Wakarusa and Elkhart, will be improved by the Foley Construction Co., who bid \$30,000.

Bulletins posted in Big Four offices Monday announce that J. A. Walters of Mount Vernon would succeed C. E. Griffith as local agent next Friday, at which time Mr. Griffith will take the agency at Terre Haute.

Alleging cruelty and habitual intoxication, Fawn Elliott has filed suit for divorce from Eugene Elliott, whom she married on May 20, 1911, and from whom she separated last Friday. She asks for the custody of their one child and for \$5.00 a week for his support. I. H. Church and W. H. Chester are her attorneys.

Lewis H. Van Frank of Elkhart has filed a petition asking for a judgment of \$5,000 against the Health Cereal Co. of this city and for a receiver for the company. W. W. Haynes is president and F. B. Harris, secretary. Wilson Rose is attorney for Mr. Van Frank. The complaint alleges that the plaintiff was to have received \$5,000 for certain recipes and formulas he turned into the company, but did not get his money.

KIDNEY DISORDERS
QUICKLY RELIEVED

Hundreds of people have been relieved of the agonies caused by weak, diseased or clogged-up kidneys by using Solvax, the new remedy that quickly reaches the source of all kidney complaints.

If you suffer with pains in your back and sides or have any signs of kidney or bladder trouble such as rheumatic pains, puffy swellings under the eyes or in the feet and ankles, if you are nervous, tired and run-down, or bothered with urinary disorders, Solvax will quickly and surely relieve you of your misery. Solvax is the most potent remedy yet discovered for ridding the system of uric acid and driving out all the poisonous impurities which cause such troubles. It neutralizes, dissolves and makes the kidneys sift out all the uric acid and poisons left by the blood, and renders the kidneys and urinary organs clean, vigorous and healthy.

Wetlock's Original Cut Rate Medicine Store, the popular druggist, says that no medicine ought to be paid for unless it does the user some good. He therefore sells Solvax under a positive guarantee to quickly relieve the worst case of kidney trouble or refund the money. Try Solvax today and if you cannot see and feel a decided change for the better just go to Wetlock's Original Cut Rate Medicine Store and tell him you want your money back and he will return it without question. This is the strongest argument that can be offered in behalf of any medicine.

The boy was carried into the Reeve hardware store, but before a physician could arrive he had choked to death, as the button had lodged in his windpipe.

RETURNS FROM PRISON
AND GETS JOB BACK

Maurice Walsh, Convicted in
Terre Haute Election Fraud
Elected County Sealer.

News-Times Special Service:
TERRE HAUTE, Ind., Jan. 4.—Maurice Walsh, who returned from Leavenworth the day before Christmas, was today elected county sealer of weights and measures, a position he resigned after his conviction in the federal court in Indianapolis last spring for the part he was charged with having played in the election frauds of November, 1914. He succeeded Louis Katzenbach, former chief deputy sheriff under Derris Shea.

When Walsh resigned last spring the commissioners held the place open for him, under the impression that he would be released on parole after he had served one-third of his year sentence, but when he failed to be released, Katzenbach was elected to the place, and was a candidate for reelection. Walsh is understood to be a wealthy man, with large interests in the Terre Haute Brewing Co. and other local enterprises.

The board also elected Arthur T. Jones, former county commissioner, to the position of county superintendent of roads, to succeed Ransom E. Phillips, who was a candidate for reelection. The old board of mine examiners, Joseph Cottrell and Michael O'Rourke, democrats, and George H. Richards, republican, was reelected.

Building is Found on Fire.

News-Times Special Service:
BATTLE CREEK, Mich., Jan. 4.—When J. B. Tinkelaugh of the Tinkelaugh & Templeton grocery, had failed to come home at midnight, his wife asked the police to investigate.

Patrolman Hess, sent to the store, failed to find Tinkelaugh but he discovered the building ablaze and his promptness in turning in a fire alarm saved it. While women were busy Tinkelaugh came in the front door.

He had gone down town without telling his wife and was enroute home when he followed the engines to his store. The fire started among waste matter in the basement, presumably from spontaneous combustion. The damage was small.

It is alleged he struck her with a revolver, inflicting a severe gash on her head. Gibson gave bond for his appearance at the next term of court.

FORGOT HIS PROMISE
TO MARRY OLD GIRL

Edith Clark of Three Oaks
Sues Joseph Parren For
\$10,000 Heart Balm.

News-Times Special Service:
ST. JOSEPH, Mich., Jan. 4.—How would you like to be a young lady and receive plenty of attentions from your gentleman friend, who after a courtship asked you to marry him, and then before the date set for the wedding ceremony, because of some trivial difference he got sore and then went away and courted another girl and married her? You wouldn't you? Probably you would do just exactly what Edith Clark did when she filed suit for breach of promise, and that's the reason the Clark-Parren damage suit is being tried in the circuit court before Judge Bridgman.

According to Atty. James O'Hara, who represents Miss Clark of Three Oaks, Joseph Parren, who lives six miles from the village, was an ardent wooer and along about Christmas time, 1914, after six months' courtship, he asked her to marry him. She accepted and the date was later fixed for June 10, 1915, the delay in assuming matrimonial life being due to the desire of Mr. Parren to get his home ready for his bride.

Miss Clark, it appears, helped him to plan the dwelling and was asked to make suggestions concerning its construction. At the time of her engagement Miss Clark was working in the Featherbone factory in Three Oaks and was earning from \$11 to \$13 a week. When the offer of marriage came she quit the manufacturing plant that she might school herself for the matrimonial alliance, and in the meantime the courtship continued until along the latter part of May, or the first of June, 1915, when there was a little "doings" in Three Oaks and Mr. Parren was not invited to attend the affair and he was peeved. When he did not appear at the Clark home the following Sunday, as was his usual custom, Miss Clark wrote him a letter and in reply Mr. Parren said he had a reason for being "sore" and added that he should worry as he had plenty of other friends.

It appears that there was a difference in the religious belief of the couple, Miss Clark being a Methodist, and Mr. Parren a Catholic. In order to keep harmony and because of her love for her intended Miss Clark consented to have the ceremony performed by a priest, and the promise to wed was sealed with a diamond engagement circle of gold. Following the estrangement, the first of June, Mr. Parren courted another girl whom he married Oct. 4, 1915, and then Miss Clark started suit for \$10,000 damages for breach of promise.

TOO LONG FOR LOT

Federal Building at Seymour May
Extend Into Alley.

News-Times Special Service:
SEYMOUR, Ind., Jan. 4.—When W. C. Staver of Chicago, superintendent of construction for the new postoffice building, to be erected here, measured the site he discovered that the lot was three feet shorter than specified in the deed to the government. His measurements were verified by W. H. Rights, city engineer. The specifications for the building were drawn for the site on the dimensions originally given of the lot, and as a result of the error one corner may project into the alley for a foot or 14 inches.

The construction work on the building will proceed despite the discrepancy in the measurements. Excavation will be completed in a few weeks and the concrete foundation will be in by early spring. The contract for the stone has already been given to a Bedford company. The building will cost about \$60,000. It will be completed and ready for occupancy by Dec. 1.

News-Times Special Service:
EVANSVILLE, Ind., Jan. 4.—About 50 men and boys living in the vicinity of Kratzville, six miles west of here, went in search of "ghosts" supposed to be in the woods near the village for the last week. Persons reported seeing shadowy figures and mysterious lights flitting through the woods at night, and the women and children had become so frightened that they refused to leave their homes at night. The crowd was armed with pistols, shotguns and clubs. They made a thorough search of the woods, but no ghost was found.

MAY BRING L. B. CLORE
OUT FOR GOVERNOR

Withdrawal of Risk Gets Friends
of Laporte County Agent
Busy.

News-Times Special Service:
LAPORTE, Jan. 4.—Following announcement of the withdrawal of J. Kirby Risk from the democratic race for governor, political interest here Monday centered in the effort being made to bring L. B. Clore of Franklin, now county agent for Laporte county, into the race. When Mr. Clore left here for a two weeks' trip down the state he left the impression that he might get into the race. Monday's advices reported Mr. Clore as in conference with anti-Taggart leaders in Indianapolis, but with no decision as to his entrance into the race. Friends here close to Mr. Clore believe he will enter the fight. Prior to coming to Laporte county Mr. Clore served a term in the state senate from Franklin county, while in the convention three years ago he was a candidate for lieutenant governor, being defeated by William P. O'Neill of Mishawaka. Clore is said to have a larger acquaintance among the farmers of the state than any other man in Indiana. He is known in farming communities as the corn king.

SUSTAINS MOTION TO
DISMISS INDICTMENTS

Judge Elchorn Acts on Move of
Attorney Rucker in Elec-
tion Cases.

Associated Press Service:
INDIANAPOLIS, Jan. 4.—Special Judge W. H. Elchorn Monday sustained the motion by Prosecuting Attorney A. J. Rucker to dismiss the conspiracy against 13 democratic workers charging them with conspiracy to corrupt the election of November, 1914. Samuel V. Perrott, chief of police, and Herman F. Adam, city sealer of weights and measures, were two of the indicted men.

The cases grew out of the investigation which resulted in the indictment of Mayor Joseph E. Bell, who tried and acquitted the others. Practically all of the 13 defendants were re-indicted last week, charged with specific violation of the election laws. The prosecutor stated that he believed the same result could be obtained in trying them this way at less cost of time and money than would be required to try them for conspiracy. Mr. Rucker said the state would be ready to proceed with the trials on Jan. 10, but it is not known when the cases will be tried.

CONDUCTOR SAYS HE
ALMOST FORGOT ORDER

When He Did It Was Too Late and
Crash Came—Not Expected
to Live.

News-Times Special Service:
LAPORTE, Jan. 4.—It was stated Monday night that the condition of L. E. Payne, conductor of the interurban car in the head-on collision with the freight car, three persons being killed and 10 injured in the wreck, had become critical and there is fear that he will not survive many hours. The coroner's inquest held Monday developed a clear story of the way the wreck took place in the statement of Assistant Manager Miller, of the Gary and Interurban system.

He told of finding Conductor Payne of the passenger car, immediately after he arrived, and he asked him how it happened and he said that he almost forgot the order to meet the freight car at the siding. He remembered about it, however, when they passed the switch and he gave the signal to stop. The motorman evidently thought it the signal for the next stop and did not turn off the power. The conductor then saw the bell again, he told Mr. Miller, and an instant later the car was struck.

YOUNG BOY KILLED

Son Dies While Both Parents Are
Badly Hurt in Runaway.

News-Times Special Service:
CORUNNA, Mich., Jan. 4.—Herman, eight-year-old son of George Hickey, Ashley farmer, was instantly killed and his parents both so critically injured that their recovery is a matter of doubt, when a team of horses driven by Hickey ran away and collided with an electric motor car on the Ann Arbor road.

The family had been to Ashley and was returning home. As the party approached Baker's crossing on the Ann Arbor road, the horses became frightened. In spite of Hickey's best efforts to control the horses, they rushed in the tracks directly in the path of the electric, which had no time to stop.

The boy was instantly killed, as was also one of the team. The father was critically injured with no chance of recovery, according to reports. The mother is less dangerously injured, but her recovery is doubtful.
